

A wide-angle landscape photograph of a mountain range. The foreground shows a rocky, grassy slope leading to a stone-lined path. In the middle ground, a narrow dirt path winds through a valley between green and brown hills. Several small figures of people are visible on the path. The background features more distant, hazy mountain peaks under a blue sky with scattered white clouds.

The Road goes ever on and on  
Out from the door where it began.  
Now far ahead the Road has gone,  
Let others follow it who can!
